

Declaration of Compliance

of flatexDEGIRO AG regarding the German Corporate Governance Code

flatexDEGIRO AG's Management Board and Supervisory Board declare pursuant to § 161 paragraph 1 S. 1 German Stock Corporation Act (*Aktiengesetz*), that the Company has complied with the recommendations of the "Government Commission German Corporate Governance Code" in the version of 16 December 2019 – published in the official section of the Federal Gazette on 20 March 2020 (also referred to as the "Code" hereafter¹) since the last declaration dated 09 December 2021 and will comply with such recommendations going forward, with the following exceptions:

Pursuant to the **recommendation B.5**, an age limit is to be specified for members of the Management Board and disclosed in the Corporate Governance Statement.

The age of all of the Company's Management Board members is well below retirement age. Thus, an age limit with respect to the persons currently appointed to the Management Board would have no relevance. The Company also deems an age limit unreasonable for Management Board members - furthermore, an age limit would also be in conflict with diversity guidelines.

Pursuant to the **recommendation D.2**, the Supervisory Board shall, depending on the specific circumstances of the Company and the number of Supervisory Board members, form committees of members with relevant specialist expertise (S. 1) and disclose the names of the members and chairpersons in the Corporate Governance Statement (S. 2).

The Supervisory Board of flatexDEGIRO AG has formed an Audit Committee in accordance with legal requirements. The Audit Committee consists of Mr Herbert Seuling as Chairman and Mr Martin Korbmacher and Mr Stefan Müller as members. With regard to the other committees the Supervisory Board is however of the opinion that it is more effective in fulfilling its tasks by discussing all matters within the entire Supervisory Board instead of forming additional committees consisting of the same members.

For the aforementioned reason, the recommendations on the formation of (additional) committees (D.2) and on the nomination committee (D.5) are not followed. Hence, The Company declares a deviation from recommendations D.2 (in part) and D.5 of the Code.

¹ Recommendations in this declaration without any further reference are referring to the German Corporate Governance Code in the version of 16 December 2019 - published in the official section of the Federal Gazette on 20 March 2020.

Pursuant to the **recommendation F.2**, the consolidated financial statements and the group management report shall be made publicly accessible within 90 days from the end of the financial year, while mandatory interim financial information shall be made publicly accessible within 45 days from the end of the reporting period.

This recommendation deviates from the rules of the Deutsche Börse AG, the German Commercial Code (*HGB*) as well as the German Securities Trading Act (*WpHG*). The Company chooses to be compliant with the rules set out by Deutsche Börse AG, the German Commercial Code and the German Securities Trading Act.

The **recommendation G.17** stipulates, that the remuneration for Supervisory Board membership shall take appropriate account of the larger time commitment of the Chair and the Deputy Chair of the Supervisory Board as well as of the Chair and the members of committees.

With respect to recommendation G.17, the Company declares a deviation to the extent that until now only the chairman of the Supervisory Board receives a higher remuneration than the other members of the Supervisory Board due to higher time commitment. With regard to the Chairman of the Audit Committee, the remuneration system of the Supervisory Board shall be adjusted. Since the audit committee is otherwise identical to the supervisory board, there is no need for a differentiation in the remuneration of its members.
