Frankfurt/Main / Vienna, October 10, 2018 - FinTech Group AG (ISIN: DE00FTG1111, German securities code: FTG111, ticker symbol: FTK.GR) and Österreichische Post Aktiengesellschaft (ISIN: AT0000APOST4, ticker symbol: POST.AV) achieved its first milestone in establishing their planned 50/50 joint venture according to Austrian law. Upon the issuance of a banking licence this joint venture will provide banking services in Austria. Within the scope of its five-year business plan the company will be capitalised with equity exceeding EUR 200 million.

To underpin this strategic cooperation Österreichische Post Aktiengesellschaft signed 1,225,761 new shares issued in a cash capital increase out of the authorised capital under exclusion of subscription rights at EUR 28.50 per share in the total amount of around EUR 35 million. The nominal capital of FinTech Group AG increased to EUR 18,736,637 split into 18,736,637 registered shares. Booking of the new shares into the share deposit account of Österreichische Post Aktiengesellschaft were fulfilled on October 5, 2018.

„We are happy, that we together with Österreichische Post jointly achieved the first milestone in establishing our 50/50 joint venture to create and to build the most innovative hybrid bank in the DACH region“, welcomed FinTech Group CEO Frank Niehage, the new large shareholder.

Österreichische Post holds a shareholding of 6.54% in FinTech Group AG post capital increase. Furthermore Österreichische Post Aktiengesellschaft will get a seat on the Supervisory Board of FinTech Group AG.

### **About FinTech Group AG**

FinTech Group AG (WKN: FTG111, ISIN: DE000FTG1111, Ticker: FTK.GR) owns a modern smart bank, that offers innovative financial technology, an own core banking system and a regulatory liability umbrella.

The online broker flatex is the cash cow and offers an advanced, in-house technology service at low cost. This makes flatex the fastest growing trading platform in Europe.

This smart technology scales easily, which is why it is offered successfully to B2B customers. Many well-known institutes as well as the state infrastructure use these vital services. It helps startups and business models who need a banking licence through this model of white label banking to achieve rapid success.

As a provider of smart banking solutions, despite bank consolidation, low interest rates and digitization, FinTech Group AG is ideally positioned for further growth and well on its way to becoming Europe's leading provider of financial technology.
